She is a member of Project Management Institute (PMI) and PMI, Singapore Chapter. She has a keen interest in giving back to her surroundings.

Short description of how nominee intend to contribute to the chapter (max 500 words):

I am a highly educated and experienced project management professional having experience in various industries in small-medium-large sized complex projects and in global teams. I would like to use my knowledge and experience to make a valuable contribution to PMI Singapore Chapter as a board member.

I have excellent presentation and event management skills. I would like to organize and present in various workshops and boot camps on latest trends in project management ranging from people management workshops to peer learning/ professional networking. I would focus on training development as well as programs for practice of project management skills to provide members a great learning experience in SPMI.

I possess effective influential and marketing skills. I would like to support PMI Singapore Chapter to become a brand name for "Excellence in Project Management, Workshops and Boot Camps". I would encourage and motivate more and more professionals to join PMI Singapore Chapter for staying upto date on project management latest trends as well as create awareness on SPMI events thereby increasing member base and increased members' engagement in the SPMI events.
