

Section 2:

**Short Bio-Data of the Nominee (Max: 500 Words)**

Having Graduated in Bachelors Degree in Science (B.Sc.) and Bachelor's Degree in Instrument Technology (B.Tech.), I have 28 years of experience in Project environment starting from Engineer to Project Director.

During my career in managing projects, I have managed about 25 projects, the values ranging from 500K USD to 100 MUSD. Currently, I am working as Director, Project Management in Emerson Process Management, Singapore, leading the team of 15 Project Managers & Project control staff. As Director, I am responsible for the successful execution projects in South East Asia.

In Personal life, I have wife and two daughters. My spouse is working as System Analyst and my first daughter working as Trainee Solicitor. The Second daughter will be graduating in Law Degree in July, this year.

Having made significant progress in official and personal life, I am now focusing more to contribute to the society as much as possible. That is one of the main drivers, for my intention to join as Board Member in SPMI.

**Short Description of How Nominee intends to contribute to the Chapter (Mas: 500 Words)**

As board members, I look forward to doing my best in the following ways:

- Attend meetings and work on the assigned action items
- Contribute in promoting SPMI Vision and work towards increasing SPMI membership
- Organize or contribute as a team member in the following events:
  - o Focus Group Events
  - o Professional Development events
- Be part of organizing team / take up assigned responsibilities in SPMI mega events like Annual Symposium, Network events etc.,
