

Section 2:

Short bio-data of the Nominee (max 500 words)

An accomplished IT Risk Management Professional with over 13 years of Consulting, Business Development and Project Management experience in India, USA and South East Asia, with specific focus on clients from Banking and Financial Services, Telecommunication and Distribution sectors.

I am currently working with IBM (Feb 2006 – till date) as Delivery Project Executive – Security and Risk Management, assigned to IBM's strategic outsourcing customers from Banking & Financial Services and Distribution sectors. In my earlier roles at IBM, I have worked as offering manager and senior consultant / technical solution architect, driving IBM security services growth in ASEAN and India/SA regions respectively.

Prior to joining IBM, I was working with Deloitte's Enterprise Risk Services (July 2001 – Feb 2006) at its India and US offices. At early stages of my career, I worked with IT Security Solutions and Contact Optimization Solutions organizations in various roles i.e. strategic account management and project implementation.

I am an Electronics Engineer and hold a post graduate diploma in Telecom Management. I also hold various industry certifications in my competency area i.e. CISA, CISSP, ISO 27001:2005 Lead Auditor, ITIL-Foundation, PMP and CGEIT.

Short description of how nominee intend to contribute to the chapter (max 500 words)

I would like to contribute to chapter activities, specifically as volunteer to support SPMI events targeted to increasing Project Management awareness, e.g. Symposium.

In addition, I would like to support PMI initiatives towards interfacing with educational institutions in Singapore to increase PMI's footprint among students.
