Short Description of nominee intend to contribute to the chapter

The SPMI was established in 1999. From a very modest beginning, the Chapter has grown considerably and now is boasting a membership of 1720. Singapore is one of the fastest growing chapters thanks to the untiring work put in by the Board members. It is able to attract so many members because of the tremendous value addition it gives.

I intend to contribute the Chapter in the following ways:

- Bring in more members. There are still a lot of persons who are members of the PMI, but not in the Singapore Chapter. We should be able to reach them and bring them in under our fraternity.
- I will continue to work to make the Singapore chapter a good platform for learning from experts, information exchange with peers, and professional networking.
- I will be taking an active part in all the Focus group meetings. I have a passion for teaching. I will also sharing my experience / knowledge through these meetings.
- I will be an active member and will contribute my mite to the growth and development of the Singapore Chapter to greater heights.
