- Altogether I'm in this industry for about 30 years.
- I'm trained in the built environment sciences and had attained a BSc (Real Estate).
- I'm accredited as a PMP with the PMI since $\frac{2}{3}$ years ago.

Short description of how nominee intend to contribute to the chapter (max 500 words):

- The SPMI membership consists mainly of IT practitioners and there seems a lack of participation from PMs of the built environment industry.
- I believe more can be done for the latter group to bring them on board SPMI as such variation would encourage variety into SPMI just like cosmopolitanism has make Singapore more vibrant.
- I hope to get involved with SPMI to engage the PMs of the built environment and increase this membership base.
