Short description of how nominee intend to contribute to the chapter (max 500 words):

As a Chapter leader, I would:

- Support and help in developing tactical implementation plan and programs that support the Chapter strategy and strategic objectives.
- Contribute as a dynamic, forwarding thinking, action-oriented team player that is self-motivated and confident in making decisions.
- Work closely with team, volunteers and sponsors to achieve higher goals and continuous improvements for Chapter processes and operations.

I enjoy working with motivated people and being part of professional networks that not only add value at a personal level but also at a professional level, for this reason it would be my pleasure and privilege to continue to be part of this great PMI family.
